ST. VINCENT DE PAUL NEWS...

Your St. Vincent de Paul outreach group worked with 15 requests for assistance, 6 for CenterPoint help and the rest for rent or furnishings. One remarkable Neighbor and his wife came to our attention for the first time. This couple has adopted multiple children with special mental health needs. Both husband and wife have jobs, but recent heightened psychiatric issues in one of their children have been so costly to treat that they have gotten behind in their utility bills. With the crisis now at bay, and with some help we were able to provide, it looks like they will weather this financial storm and move forward on their own. Their generosity and commitment to these challenged children is an example to us all on what it means to walk in God's path. We in this parish help where we can, but people like this couple really take the laboring oar. Pray for them and all other such generous and committed people.

Ascension of the Lord Living Stewardship

"I am the Alpha and the Omega, the first and the last, the beginning and the end." (REVELATIONS 22:13)
This is a reminder of how we should live our lives 24 hours a day, 7 days a week – putting God first in all that we do. Not only when I am at Mass and parish activities, but when I am in the world, at work, or at school. Living Stewardship gratefully and generously is an intentional lifestyle. Every decision you make either moves you closer to God or farther away. Choose wisely!
