Our Goal is 32 donors - 5 donors registered

Sts. Mary and John Parish is hosting a
Red Cross Blood Donation Drive

Wednesday, September 22

1:00 - 7:00 pm in Rager Hall

-- Save a Life... Please schedule a time to donate --
Go online to redcross.org/blood or call Lee Griggs in the parish office

How does the blood donation process work?

Donating blood is a simple thing to do, but can make a big difference in the lives of others. The donation process from the time you arrive until the time you leave takes about an hour. The donation itself is only about 8-10 minutes on average. The steps in the process are:

Registration... You will complete donor registration, which includes information such as your name, address, phone number, and donor identification number (if you have one). You will be asked to show a donor card, driver's license or two other forms of ID.

Health History and Mini Physical... You will answer some questions during a private and confidential interview about your health history and the places you have traveled. You will have your temperature, hemoglobin, blood pressure and pulse checked.

Donation... We will cleanse an area on your arm and insert a brand-new, sterile needle for the blood draw. This feels like a quick pinch and is over in seconds. You will have some time to relax while the bag is filling. (For a whole blood donation, about 8-10 minutes. Donating platelets, red cells or plasma by apheresis collection can take up to 2 hrs.) When approximately a pint of blood has been collected, the donation is complete and a staff person will place a bandage on your arm.

Refreshments... You will spend a few minutes enjoying refreshments to allow your body time to adjust to the slight decrease in fluid volume. After 10-15 minutes you can then leave and continue with your normal daily activities. Enjoy the feeling of accomplishment knowing that you have helped to save lives.

Your gift of blood may help up to three people. Donated red blood cells do not last forever. They have a shelf-life of up to 42 days. A healthy donor may donate every 56 days. Thank you for being a hero to others.

EUCCHARISTIC MINISTERS WILL BE COMMISSIONED AT MASSES THIS WEEKEND SEPTEMBER 11-12 AT WHATEVER MASS THEY ATTEND. Fr. Alex will hold a short training for Eucharistic Ministers after each Mass.
